Mr. Angus Cameron,
65 Kilby Street,
Boston, Mass.

Dear Sir:

I wish you to renew the liability and fire and theft policies on my daughter, Sylvia H. Wood's Ford suburban wagon. I am hoping to get a little better rate than you charged for last year as she will be 21 on June 2nd, and also has had no accidents.

Miss Wood will probably be in to see you but you can go ahead with the renewals and send the bill to me at the above address.

Very truly yours,

Curator
